

6<sup>th</sup> December 2019

Dear Parents and Carers,

**School Donkey Visit for Nursery and Reception**

As part of our Christmas celebrations and our work on the nativity story we have contacted a donkey provider who is able to bring donkeys into school for the children to see and have a ride on, just like Mary and Joseph in the Nativity Story!

This will be an exciting and memorable learning experience for our children and they will be able to ask a range of questions to learn more about donkeys and how they are cared for.

Our visitor is planned to come to school on Tuesday 10<sup>th</sup> and Wednesday 11<sup>th</sup> December.

We kindly ask for a contribution of £3.00 per child.

**Please note, that if not enough contributions are received; school may have to make the decision to cancel the visit.**

To make your contribution please use your **parent pay account**, by Tuesday 10<sup>th</sup> December which also then gives your permission for your child to take part.

Thank you for your continued support,

The EYFS Team
