

## Our Calendar Explained!

You may have noticed some new events added to our calendar, letters for each will be sent out in the run up to the event with more information and the details, but here is a quick explanation for each to let you know what they are all about!

**Bronte and Beyond Reading event** – An event, run by our Trust, to look at our approach to reading. This will be held at Haworth Primary school.

**Celebration assembly** – As per last term, every fortnight, either Years 1-3 or Year 4-6 will have their celebration assembly. In this we will celebrate the attendance achievement and our Oakworth Superstars of the fortnight. If your child is a Superstar that week, you will receive a text on Wednesday inviting you to the assembly on the Friday at 2.55pm. But it will be a secret from your child until they see you, so please don't tell them!

**Disco (valentines)** – A disco event for the children, split into year 1-3 and year 4-6. This event is run by the PTA.

**Healthy Schools Week** – Mr Bradley will be running an exciting week packed full of events designed to support healthy living.

**Oakworth Showcase and SLT coffee morning** – The last Friday before each half term holiday will be an opportunity for you to come into class when you are dropping your child off and have a look around their wonderful learning environment. When you leave, you are welcome to pop into the hall for a coffee and a chat with the Senior Leadership team.

**Whole School Art morning- Messages of Love** – Our corridor is bare again and we need your help! Your child's classroom will be open from 9-930am for this event and you are invited in to create a piece of artwork with your child for our whole school display. If you are working, fear not, your child will complete one in class anyway and you can ask for a template to be sent home over the weekend for you to complete together. These will happen once a term.

**World of Work Week** – We will be using this week to give our children a taste of life in the work place. We will be looking for volunteers to run a workshop or talk to the children about their job and what it is like to do. If you are interested, or know of anyone who could help, please let us know when the letter comes out!
