Tuesday 2nd June 2020

Dear Parents & Carers,

We hope that you have all had a great half-term. The weather at least has been beautiful. On behalf of our staff team at Bronte Academy Trust, we would like to thank you for the effort that you have gone to in supporting your children with their home learning, as well as the fantastic support that you have shown for your schools during this exceptionally difficult period of time.

For this last half-term, we have set up a 'home learning team' of staff across the Trust that will set tasks much like you have seen, but will be streamlined within key stage bases and uploaded to a new portal rather than from our individual schools. Hence, we will be working as a Trust for Home Learning. This home learning team is made up of staff from each of the schools in the Bronte Academy Trust. From here, you may access English, Maths and Foundation subject activities for your child's stage.

Please use this link for our final half term:

<https://drive.google.com/open?id=13Odcf3XL6FTNv9J6UtON-3Vw-smJz1fw>

We recognise that everyone is facing different challenges and we ask that your children use the home learning portal to best suit your needs. There is no expectation that our children will spend all day trying to complete tasks and would like to reiterate the importance of spending time outside too. Therefore, our summer topic for the trust will be, 'The Great Outdoors.' We would encourage you to support the mental wellbeing of yourselves and your children by ensuring that you spend time together and that there is some variety in your days.

The home learning team will be contactable should you wish to get in touch or ask any questions regarding your child's learning. You have these email addresses below to increase communication. We will do our best to help you with anything that we can. Please use the email address below to contact us or to send in any outstanding examples of work if your child wishes to share what they have done!

eyfshomelearning@bronteacademytrust.org.uk

y12homelearning@bronteacademytrust.org.uk

y34homelearning@bronteacademytrust.org.uk

y56homelearning@bronteacademytrust.org.uk

For schools using Seesaw, the accounts will remain active (for as long as possible), so that children are able to upload their activities if they wish for their class teacher to see. As you can appreciate, staff will be working within their bubbles at school, so will respond accordingly when they can.

Kindest Regards,

Bronte Academy Home Learning Team
