

Dear Parents and Carers,

19 June 2020

**How do you fancy challenging friends, family or neighbours to some fun, virtual sporting activities this summer?**

At national children's charity, the Youth Sport Trust, we are determined to ensure that young people stay active and connected through this difficult time. We've been helping families do this with our daily #StayHomeStayActive activities since March and now we're challenging the public to go one step further by joining us in our first ever National School Sport Week at Home, supercharged by Sky Sports.

Taking place from 20-26 June, the week will give families, communities, schools and sports clubs the opportunity to take part in a series of virtual sporting challenges which help young people capture the enjoyment, competition and camaraderie they may be missing out on and the Youth Sport Trust is delighted that Sky Sports will be helping to supercharge the campaign.

**How do I find out more?**

Registering couldn't be simpler. Just go to the following website [www.youthsporttrust.org/nssw](http://www.youthsporttrust.org/nssw) and click on the link for parents. You will be asked a couple of questions as you register about who you might challenge and how many people you would like to get involved.

After signing up, you will be provided with free and easy-to-use resources to help plan your week of National School Sport Week at Home Activity, set challenges for your families, friends and neighbours, and shout about it online.

So, what are you waiting for? Join the growing number of people who will be running, jumping and throwing their way to glory from 20-26 June.

**Virtual Schools Games Sports Day**

The West Yorkshire School Games team are currently planning for a county-wide **Virtual School Games Sports Day** to take place on **Tuesday 7 July 2020**. The day will be for all primary schools in the county to take part in. There will be a live premiere at 10am on their YouTube Channel available at:

<https://www.youtube.com/user/WestYorkshireSport>

The day will involve multiple activities that can be done at home or in school and can take the place of the traditional 'Sports Day' that will be largely missed. Schools will be able to compete against each other across the county and be part of something big. There will be a number of prizes on offer too!

Lastly, there will be more details of activities via our Twitter page - <https://twitter.com/OakworthPe>

Kind regards,

Mr Bradley
