

4th December 2020

The Final Countdown!

Dear Parents/Carers,

I hope this letter finds you well.

School life is busy as ever, with the run up to Christmas, 2 weeks to go! The classrooms are looking very festive, and the children are very excited! If you haven't already, please check out the little message on the website to you all from the staff and their families. The Christmas performance is on its way too, we will let you know once this has made it to the website.

Thank you:

A HUGE thank you to all of those who have donated to the Martin House Hospice appeal, my office now resembles Boots, and I am humbled by your generosity. I know a couple of the children have told me that they have used their own money to choose and buy things, which is so, so special. Martin House are picking up the goods on the 15th December, so the last day for donations will be the 14th.

We also wish to thank all those who have bought their buddy class a reading book, the children will really benefit from having full libraries. When I have spoken to the children over the past few weeks, they have all been keen to tell me how much they love reading, so this will be a real treat.

Website:

Our website has been updated! Please have a look at the Year Group pages for a sneaky peak of what we have all been doing! Star of the Week and Family Fortune (attendance) news is also there, so please check it out!

A few reminders:

- As the weather has started to turn, please ensure your child is dressed appropriately. They need to stay warm and dry whilst outside, so please plan appropriately.
- Please be aware of the safety of our school family, and avoid parking on Dockroyd Lane. With the introduction of the one way system, this now has an amount of footfall, so please do not park here.
- Christmas dinner and Jumper Day are on the 15th December, no donations are required for jumpers, as we have the two campaigns running at the moment.

Thank you for all your kindness and support, it means the world to us!

Best wishes
